Innovative and passionate Angular Developer with a year of hands-on experience in front-end development and a solid foundation in web technologies. Eager to contribute to a dynamic team while further enhancing technical skills in Angular and related technologies.

WORK EXPERIENCE

Angular Developer
BootNext Tech Ventures

08/2022 - 06/2023   *Scheme no. 78, Vijay Nagar, Indore*

Quickboot Low Code Platform

- Developed and maintained high-quality front-end applications with Angular, ensuring responsiveness and cross-platform compatibility.
- Collaborated with cross-functional teams to translate business requirements into technical solutions.
- Implemented complex features using Angular services, components, and directives.
- Integrated RESTful APIs for seamless data exchange between front-end and back-end systems.
- Utilized HTML, CSS/SCSS, and Angular to create user-friendly website layouts and designs.
- Contributed to the development of single-page applications (SPAs) that resulted in a 70% increase in user engagement

Internship Trainee
Dark Horse Digital solutions

01/2022 - 06/2022   *Hyderabad*

Life Insurance

- I gained practical experience in designing, developing, and optimizing business processes, utilizing the robust capabilities of the IBM BPM platform.
- This role required me to collaborate closely with a team of experienced developers and business analysts to create streamlined, effective business process workflows that supported client requirements.
